"Happy New Year to all my fellow Woodvillians and GWA (Greater Woodville Area) neighbours and residents. I wish to personally thank everybody who attended the meeting at the Legion last fall with city officials regarding the closure of the Woodville Town Hall. Attendance was excellent (180 or so) and your participation at the meeting reinforced the significance and importance of the Town Hall to our community. It did not go unnoticed by city personnel and you did, in fact, make a difference. What a GREAT community... Thank you so very much!"

Message from the City of Kawartha Lakes

The flame-spread issue in the upstairs assembly room (Woodville Town Hall) has been addressed. The hall is open for rentals and the fire watch provision has been lifted. Remedial work to complete the outstanding retrofit requirements for the rest of the building (downstairs) are ongoing with completion in the near future.
