**Have a "Fire Safe" Holiday Season**

**Message from the Fire Prevention Office**  
**City Kawartha Lakes**

Families are urged to be especially vigilant about fire safety this holiday season, which is one of the deadliest times of the year for home fires. People are very busy and it's easy to get distracted or forgetful. All it takes is for a pot to be left on the stove or a candle left burning unattended for a family's holiday celebrations to go up in smoke.

Take a few minutes to test your smoke alarms & install new batteries, if needed.
